9:44 PM **Catalina**: hey
im about to go home
im on an evil path and am enjoying it
me: how so?
9:48 PM **Catalina**: well i told carl he fucked up my retina
bad news is i have to wear eyeglasses
me: he really did?
Catalina: no
i made it up
to make him feel worse
me: what's really wrong with them?
Catalina: if i could tell him he made my mother have a heart attack and die i would
9:49 PM with my eyes
nothing
my contact was fucked up
me: okay, good
Catalina: i also get blind by skag
me: so you're okay?
9:50 PM **Catalina**: is it bad that it made me feel an emotion that was not bad by him feeling bad?
i wouldnt call it happiness
more like glee
yes im fine
never better dear
i called rob lynch
hes going to jamaica
9:51 PM i have decided to have many suitors
i am poor
although really all i need is skag and crackers
and you do the job for that
i am still celibate though
so i imagine i will lose a lot of suitors because of that
how was your day?
9:52 PM **me**: work, sex
Catalina: gross
on both accounts
me: it's not really work
9:53 PM **Catalina**: sex isnt?
so shes on top?
me: never
Catalina: gross dont tell me
ok now im curious
why is she never on top
me: because I'm always on top
9:54 PM **Catalina**: why?
me: in some fashion
Catalina: dont you enjoy the view?
me: not as much as I enjoy being on top
9:55 PM **Catalina**: i used to be great at being on top
9:56 PM i think its cause of my thunders thighs
then i ost the desire
lost
me: by getting repeatedly beaten?
Catalina: would you really seiously call thursday a beating?
9:57 PM **me**: would you?
Catalina: i dont think so because a beating sounds like youd end up in the hospital
id call it a few punches to the face
9:58 PM **me**: so, by being mistreated in general then?
Catalina: yes
i didnt have a busted lip or anything
it was mostly the eye area
probably because he was driving
me: right, he hit you in the eye and not the lip
9:59 PM **Catalina**: but so was chris brown
now that guy is talented
me: who?
Catalina: guy who beat up rhianna
10:00 PM **me**: I don't know who these people are but I will assume that they are black and in show business
Catalina: you are correct
me: anyway
